I'M

VERSE

If all i had,was what i could give  
World turning round,to envy your gift  
Ain't no white lie,i promise you that  
How far we got,by hanging out all night

CHORUS

And i'm,running in your life  
And i,got something in your life

VERSE

Life everything,that we ever dreamt  
Joy of sleep,would leave us with no sense  
Life were just lines,that could be erased  
Could relive,every moment we've misread

CHORUS

And i'm,running in your life  
And i,got something in your life
