lookaway

Verse

Tell you why i'm moving on,
all i've done went so wrong.
Everyday an endless race,
i'm out there with the rest.
Fell down and up again,
looked around no one there.
Never felt an empty place,
not a trace of myself.

CHORUS

Lookaway,walkaway
i won't play with the devil today.
Lookaway,walkaway
You never look into the suns rays

VERSE

Inside a crowded room,everyone's foolin who.
Nobody has a clue,all tryin to get thru.
Say i am who i am,nothing to understand.
why i am where i am,cause i know where i stand.

CHORUS

Lookaway,walkaway
Heaven gates aren't open today
Lookaway,walkaway
Everybody has that feeling today

VERSE

Tell you why,i'm moving on,
all i've done went so wrong.
Never felt an empty place,
not a trace of myself
