Man was i wrong

CHORUS

Thought be more,than the lies i told

man was i wrong

With the wind,riding out the storm

man was i wrong,was i wrong on

VERSE

Everything i had,meant much to me,

flying with the breeze,all the love that went by
me,things we leave until tomorrow.

Everyting i knew,gone and left me,

those were happy years,left behind with all those
near,memories are books we borrow.

CHORUS

Thought i had something more to show,

man was i wrong

Held your hand,thought our faith would grow,

man was i wrong

Thought with words,there would be much more,

man was i wrong

Licked my wound,thought the hurt be gone

man was i wrong

VERSE

Playing hide and seek your love with me,

rest assure your free,count the ways that you left
me,one more hit and miss on my list.

Many have a life we'll never see,in their eyes their
dreams,wondering off in the street,some will never see
tomorrow.

CHORUS

Thought grow up,to be what i thought,

man was i wrong

Lady luck thought would back me up

man was i wrong

Thought my dad,would hear me sing this song

man was i wrong
