Runaway Run

VERSE

Strange feeling inside, got a million eyes staring  
down like rats.

Sign saying look out, so much going on, burning  
all around.

Moon shining wolfman, got a double life  
crazy like a bat.

Bad feeling red light, runaway gun, doing  
hit and run

CHORUS

Runaway Runaway Runaway Run

VERSE

Move over to one side, trouble do or dare  
cut yourself from there.

Look again watch out, on the dotted line, does  
who rule will guide.

Big secret wide eyes, moving round with doubt, what's it  
all about.

Full body contact, what a big surprise and i'm  
turning back

CHORUS

Runaway Runaway Runaway Run

VERSE

Cool yourself with ice, winter's getting hot  
and the snow is dry.

Treat yourself go out, all is going fast, haven't  
got much time.

Scream it loud and proud, get yourself on out,  
you want to survive.

Rip the sky apart, no more black and white,  
just the bluest sky.

CHORUS

Runaway Runaway Runaway Run
