Flyin high in the sky  
I got my ripped soul baby  
Goin down on you, goin down on you  
Xray vision  
Seein right on thru  
And there ain't nothin that your god can do  
'cause I'm coming down to rock n' roll  
And theres nothing you can do  
No no no  
I got this feeling inside, it wont be denied  
It's coming outta my heart and coming outta my hands  
I wanna give it to your sista and your brotha like a  
motherfucker  
Baby yeah  
'cause were coming down to rock n' roll  
And theres nothing you can do  
Here I come  
I wont be long  
Huh ha rock n' roll!  
And theres nothing you can do  
No no no
