I am the man in the box
And myself IÂ'm the box
Cuz IÂ'm standing in myself
WhoÂ's not a self at all

I am the kid in the sphere
Which engulf the whole world gear
And IÂ'm this world in my brain
I am all the pain I am everywhere

Call me your black box baby
Call me dark whole child
IÂ'm not what you think
Cuz I think what u are
Call me your black box baby
Call me general slide
IÂ'm not what you are
Cuz IÂ'm what IÂ'm not

I am your no living body
You know IÂ'm just everybody
Computed life software
Not even sure IÂ'm real

IÂ'm kinda data bank library
And IÂ'm not there cuz IÂ'm written
Out there in a book
In someone elseÂ's head

Call me your black box baby
Call me dark whole child
IÂ'm not what you think
I am everything
Call me your black box baby
Call me general slide
IÂ'm not what you are
IÂ'm less than a man

I am the man in the box
And myself IÂ'm the box
Cuz IÂ'm standing in myself
WhoÂ's not a self at all

Call me your black box baby
Call me dark whole child
IÂ'm not what you think
Cuz I think what u are
Call me your black box baby
Call me general slide
IÂ'm not what you are
Cuz IÂ'm what IÂ'm not

Call me your black box baby
Call me dark whole child
Call me your black box baby
Call me your black box baby
