Fall In Love

Yesterday, I saw your face  
in a fancy little magazine  
You looked at me with that same smile  
We use to wear on the rainy days.  
I felt so weird to watch your eyes  
And nothing said between the lines  
But I know.

Someday you'll fall in love with me. (x4)

They play your song on the radio  
Something you say about you and I  
Remind me that you never lied  
But I feel so strange you never wrote  
But I feel so down that you never call.  
But I know.

Someday you'll fall in love with me. (x4)

The TV say you never changed  
From small town boy to teen idol  
But all I know is what I see  
That everything you want to be  
Is just a dream and I don't care  
Is just a dream and I don't care.  
But I know.

Someday you'll fall in love with me. (x8)
