Maybe I'm a boy  
Maybe I'm a girl  
rushing to the city  
in high heel shoes  
People don't know who I'am  
they only think that I'm a fag  
People don't know what I feel  
they only think that I'm a drag

God Save the queer  
Kill the machist regim  
God Save The Queer  
Kill the machist regim

May be Iâ'm star  
May be made of trash  
Running thru the night  
With my glitter tight jean  
Daddy Andy gimme me plastic lips  
Mommy Iggy gimme sex appeal

God Save the queer  
Kill the machist regim  
God Save The Queer  
Kill the machist regim

God Save ...the queer ...  
We love our Queen  
The King of Queer
