Iâ€™ve seen your faces, in the magazines.  
Iâ€™ve heard your stories on the radio.  
I see you make it big with the seventeens.  
Not to mention your dealing with the pros.

I guess you only missed the point.  
I guess you never got it all.  
And Nice boys donâ€™t play rockâ€™nâ€™roll  
So let me be  
Your Kamikaze  
Your Kamikaze  
Yeah yeah yeah

Iâ€™ve heard you talking about being real.  
In the back of a rental Limousine.  
Iâ€™ve seen you wearing a brand new skin.  
Tattoo pop boys for the price of your sin.

I guess you only missed the point.  
I guess you never got it all.  
And Dead boys never played the rules.  
So let me be  
Your Kamikaze  
Your Kamikaze  
Yeah yeah yeah

Letâ€™s bring back the danger.  
In the land of fat.  
Letâ€™s bring back the anger.  
In the face of the rats.

Donâ€™t be so sad If I donâ€™t kiss your ass.  
Donâ€™t be so mad if I just rock real hard.  
I never learned it it your fuckin TV show.  
It in my blood, itâ€™s in my bone, itâ€™s in my soul.

I guess you only missed the point.  
I guess you never got it all.  
And Juke Box Baby never dies.  
So let me be

Your Kamikaze

Your Kamikaze  
Your Kamikaze  
Yeah yeah yeah
