Mandy

I can tell the way you stand there what you're thinkin

Already so sure of how you think you want it to be

Senna

We'd be more than friends from one day to the other

Think I'd like to wait it out, till it's as crystal to me

Bahar Senna

So don't blame yourself (So don't blame yourself)

Bahar & Senna

Don't take it personal

Bahar

Let's just sit back and relax from now

Bahar & Senna Mandy

Just wait and see (Just wait and see)

Alle

If I take my time

Don't freak

Keep it curious

Senna Mandy

You'll see (Just wait and see, just wait and see)

Alle

If I'll take my time

Don't freak

Keep it curious

Senna Mandy

You'll see (Just wait and see, just wait and see)

Senna

Keep that self-control in every moment

I'll be knowin every part of you before I really let go

Mandy

Good things come in time they said it perfectly

We'll have definitely something more when we unravel

it slow

Bahar Senna

So don't blame yourself (So don't blame yourself)

Bahar & Senna

Don't take it personal

Bahar

Let's just sit back and relax from now
