There are times when you feel
That you don't know where you fit in
So you hide
What is real
Even when it hurts to pretend
To be the one that you think
Everybody wants you to be
No one sees

Yeah
The one you really are
But you don't have to hide your heart
Cause nothing needs to change
Sometimes it might seem hard
And your whole world falls apart
Just know that when you feel that way

Chorus:
Even heaven cries
Everybody cries
It's okay to doubt
Yourself sometimes
You don't have to be afraid
Of what you feel inside
It's alright (it's alright)
Cause even heaven cries

When you look
In the mirror
And you don't see picture perfect
What they say
Breaks your heart
And makes you feel
You're not worth it
Wanna disappear
Hide the tears
Still play and make believe
So no one sees

Yeah
The one you really are
But you don't have to hide your heart

You're a miracle in every way
Sometimes it might seem hard
And your whole world falls apart
Just know that when you hear the rain

Chorus:

Even heaven cries
Everybody cries
It's okay to doubt
Yourself sometimes
You don't have to be afraid
Of what you feel inside
It's alright (it's alright)

No you're not alone
Don't be ashamed
To let your feelings show
You should realize
You're special how you are
In time you're gonna see
You're gonna see

Haahahaha
(Haa)hahaha (Heey)
(Haa)hahaha (Woohohoo)
(Haa)hahaha
(Haa)hahaha
(Haa)hahaha

Don't you realize

Chorus(3x):

Even heaven cries
Everybody cries
It's okay to doubt
Yourself sometimes
You don't have to be afraid
Of what you feel inside
It's alright (it's alright)

Cause even heaven cries
