[4x] Hot, hot, hot, hot

[Senna]

They're placing me
Here in the bad girls section
I got a new dress
And that looks perfection
I'm introduced to a hot producer
But I can tell he's just a stuck up loser

[Senna, Mandy, Bahar]

I keep it compose
Just wanna rip off my clothes
I wanna give out a toast
To do so freakin' the most

[Senna]

I got a feeling and I just can't let it go
Now I can't stop it baby let's get physical
Just wanna get up in a good vibration
And I can feel it in the air...

[Senna, Mandy, Bahar]

It's gonna be a - hot summer
A hot, hot summer
Hot summer
A hot, hot...
Gonna be a - hot summer
A hot, hot summer
Hot summer
A hot, hot...
Gonna be a...

Hot, hot, hot, hot

Hot, hot, hot, hot

[Senna]

I need somebody
To release this tension
And now a club is such a good invention
It makes me read off all these complications
From here I know that we can rock this nation

[Senna, Mandy, Bahar]
Back to the bone
To let them claimin' my throne
You got me into the zone
And now this party is on

[Senna]
I got a feeling and I just can't let it go
Now I can't stop it baby let's get physical
Just wanna get up in a good vibration
And I can feel it in the air...

[Senna, Mandy, Bahar]
It's gonna be a - hot summer
A hot, hot summer
Hot summer
A hot, hot...
Gonna be a - hot summer
A hot, hot summer
Hot summer
A hot, hot...
Gonna be a...
