When you look at me  
The thing that I ain't feel  
The key to everything  
It they you only see  
You get nothing for free  
So take a close on me  
So going home with me  
So let me to your mummy  
Here we go again uh  
What have we here  
Havn't I see you dance  
O my god he is here  
What did he do with me

If you come around around me Baby (Ahhh kiss and tell)  
You think you like me  
But you better know  
So you caught me leave me to the sitedoor(Ahhh kiss and tell)  
The mean to go whole inside me (kiss and tell)  
Why you wanna know around be a lady  
You think you like me  
But you better know(Kiss and tell)  
So push your luck cause I'm a lady oh

Allituissity  
Pure charma sweet  
I can hardly breath  
Everytime we meet  
He's got nothing for free  
So take your close on me  
Go home and let me be  
Go back to your mummy  
Here we go again uh  
He's watching me  
He turnin' his body  
He cannot look away

If you wanna go around me Baby (Ahhh kiss and tell)  
You like to turnin'  
But you better know

So you caught me leave me to the sidedoor (Ahhh kiss  
and tell)  
The near where everybody knows her(Kiss and tell)  
Why you wanna know what's up me Baby  
So you call me better what to do (Kiss and tell)  
So you push me like a lady oh  
(Ahhh kiss and tell)

He doesn't know a yell (Ahhh kiss and tell)  
But he hold we had a low

If you wanna know what be a lady  
You think you like me  
But you better know  
So you push me looking like a lady  
You go around me  
What to do with mine (kiss and tell)  
Why you wanna know around me baby  
You think you like me  
But you better know

You push your luck cause I'm a lady  
Ohh  
Ohh like a lady  
Ehhhh  
Baby  
Around me baby  
Like a lady oh
