Just let me know
It's strictly physical

Dirtier dancing alone, so physical
(So physical)
Feels like a fire, daddy, even you know

We're getting close to borders, so over ego
The way you're watching me, baby, tells me
You're feeling my flow

So if you want it, just let me know

If you want it
(Uh, uh)
Just let it go
If you need it, boy
It's strictly physical

If you want
(Oh, yeah)
Just let me know
If you got it 'cause
It's strictly physical

It's strictly physical
It's strictly

Don't be a fool, boy
Just 'cause break dancing go, go
It's just an illusion leave your emotions for home
I'm stripping your top with my eyes

I like what I see
(Like what I see)
(Aah,aha,aha)
We made a connection, boy
Let's do it, freaky
(Do it, freaky)

Just let me know if you want it
(Uh, uh)

Just let it go
If you need it, boy
It's strictly physical

If you want
(Oh, yeah)
Just let me know
If you got it 'cause
It's strictly physical

Just let me know if you want it
(Uh, uh)
Just let it go
If you need it, boy
It's strictly physical

If you want it, oh, yeah
(Just let me know)
Just let me know
If you got it 'cause
It's strictly physical

Yeah, yeah, yeah

Dat, dat, dat
Dat, dat, dat
Dat, dat, dat
It's strictly physical

Dat, dat, dat
Dat, dat, dat
Dat, dat, dat
It's strictly physical

Dat, dat, dat
Dat, dat, dat
Dat, dat, dat
It's strictly physical

It's strictly physical
