Killing me slowly, but surely it seems We all die someday No one is sure if this day is their last We all die someway Fear is so present, in everyoneÂ's face They know they are damned No one can fight this or take it away They die by the hand CHORUS: When itÂ's their time theyÂ'll die TheyÂ'll be silent, Â'cause no one believed That they didnÂ't have a chance to get by That their whole life was in conceived

INCONCEIVED x4

TheyÂ've nothing to lose, and nothing to gain Still they will try TheyÂ'll realize that life is a waste Whenever they die Screaming out pain, that has haunted their souls TheyÂ're trapped from within Why must they try, their entire life If there is nothing there to win
