Feeding frenzy  
Impulse gauging  
Vile substance  
IÂ'm consuming  
Ripping tearing  
Threw her  
In sides  
Trying to retrieve the afterÂ...Â....Birth  
Feeding frenzy  
Impulse gauging  
Vile substance  
IÂ'm consuming  
Sensational urges inside of me  
I canÂ't resist  
The essence of your life will embellish mine  
Immortality  
Pulling out the afterbirth eat of the placenta  
It is key to life, I canÂ't keep it down  
Disgorge  
From in my throat  
NO I must consume, chew it viciously, vile puss is  
secreting  
Filling me with life  
Consume the after birth
