Slit Your Stomach
Open
Reaching in to the womb
Extract entrails
Slowly removing the skin
Violently convulsing
Watching me take your life
Away Dissecting
The entrails
Dissecting the
Entrails
Disemboweling you with my knife
Carving
Out
Yours
Intestines
Screaming for mercy but you'll receive none
(Dissecting the Entrails)
Impaling your intestines watching your blood run
The last thing you'll see is me
Duct Tape, Gag and Tied To the Table
Fight for Your Life, but you're not able
Eradicating with no homage
Death calls as you fall unconscious
Dissecting the entrails
