Believe in nothing -  
hand in hand in hand -  
betrayed by promise -  
this isn't going as planned -  
buy into a dream -  
you never had -  
consume the addictions -  
which merit the mad -  
i will not walk in your world -  
i will not kneel in your world -  
i don't have a choice in this world -  
i don't have a voice in this world -  
and at the end of the day -  
i hope you like what you see -  
and at the end of the end -

i hope you love what you lived -  
material altar -  
material fraud -  
the latest in fashion -  
the latest in god -  
our deviant struggle -  
may not be heard -  
you can erase the prophet -  
but never his word -  
and at the end of the day -  
i know you'll count what you own -  
and at the end of the end -  
i know you'll die alone -  
all we need is here -  
all we need, within
