I wish my lips were red today  
I need to match the color of my speed  
I want, I want the world to say  
It's okay, it's okay, it's okay, it's okay  
Chorus:  
I need to feel on top  
Don't ever want to stop  
I need to feel like I figured it all out  
And I want to feel this way forever and a day  
And maybe someday I'll figure it all out  
Figure it all out  
I feel the need to catch this wave  
To let it out  
To make it stay  
Nothing will get in the way if I say  
It's my way  
It's mine  
(Chorus)  
Maybe I'll look back someday and say  
I did it all for love of all of it  
Maybe I'll look back someday and know  
I did it all for love of all of it  
(Chorus)  
I wish my lips were red today  
I need to match the color of my speed
