I have waited so long
Just to see your face.
I dont want to wait in
this line of time.
Oh just show me what
you mean to me
and we will finally
be together again.

In this line of time,
anything can happen.
Miracles will grow.
Friendship will start
and we'll have a ball.
Yeah we'll all gather
round and have a ball.

But dont you remember when
we would get together.
It's been so long that I can hardly remember.
So now while I wait

in a line of time, I will try
to picture your eyes.
So no more waiting.
'Cause i'm sick of it all.
Its been to long that
I cant hear you anymore.

'Cause in this line of time,
anything can happen.
Miracles will grow.
Friendship will start
and we'll have a ball.
Yeah we'll all gather
round and have a ball.

And I will wait to see you again.
I will wait for the day you come.
I will wait,
I will Wait,
'Til you come back.
