Why do you tease my heart
Already down with tears
Do you want me to cry
Cry at my own hearse
[Do you want to kick me
Do you want to hit me
Do you want to see me die
All the world pass by]-2
I have a broken heart no one cared for me
Time just went by no moment spared for me
I waited waited so long cound't find one to console
I looked at the people around I looked at the world
whole
My mind went through the puzzle
Puzzle so fearse
[Do you want me to cry
Cry at my own hearse]-2
[Do you want to kick me
Do you want to hit me
Do you want to see me die
All the world pass by]-2
We planned a world of ours that was not to be
Our dreams and ambitions we were not to see
You left with the guy so smart leaving me just alone
Lying flat on the dome people call that my home
Just cursing the destiny
Eyes wet with tears
[Do you want me to cry
Cry at my own hearse]-2
[Do you want to kick me
Do you want to hit me
Do you want to see me die
All the world pass by]-2
Why do you tease my heart
Already down with tears
Do you want me to cry
Cry at my own hearse
[Do you want to kick me
Do you want to hit me
Do you want to see me die
All the world pass by]-2
