I've read the note, it tears me apart  
To hear you say, you're not the one  
A broken heart, will fuck you up  
Don't waste your time, to say goodbye

The promises, you gave to me  
Are fading fast, in my hands  
Time goes by, I feel you bleed  
Last regrets, I hear you

Scream

Close your eyes  
I read the note you cannot hide it  
Close your eyes  
You wrote my name you cannot fight it

No

I've read the note, you said goodbye  
And now I know, you're not the one  
This broken heart, will fuck you up  
Don't waste your time, to say goodbye

The promises, you gave to me  
Are fading fast, in my hands  
Time goes by, I feel you bleed  
The last regret, I hear you

Scream

Close your eyes  
I read the note you cannot hide it  
Close your eyes  
You wrote my name you cannot fight it

No

Close your eyes  
I read the note you cannot hide it  
Close your eyes  
You wrote my name you cannot fight it

Close your eyes

Close your eyes
