You rewrote
Every page
Of my love
Story
Now you lay
In my hands
And I know
It's over

So many times
You tried show me
How much you
Love me

Everything inside me dies
As your heart beats stops
I wish I could
Save your life
Now that you are gone
My dreams fall apart
As our lives
Fade to nothing

I rewrote
Every page
Of your life
Story
Now I know
It's my fault
Forgive me
I'm sorry

It was my fault
I should have listened
But it's too late
I'm sorry

Everything inside me dies
As your heart beats stops
I wish I could
Save your life
Now that you are gone

My dreams fall apart
As our lives
Fade to nothing

Everything inside me dies
As your heart beats stops
I wish I could
Save your life
Now that you are gone
My dreams fall apart
As our lives
Fade to nothing

Everything inside me dies
As your heart beats stops
I wish I could
Save your life
Now that you are gone
My dreams fall apart
As our lives
Fade to nothing
