

Dark Every Day "Burning"

Visit "[Burning](#)" on MotoLyrics.com

I wish I'll run away
But I'm useless once again
I'm lost inside this pain
I see through but I can't escape
Taking away the air
I'm breathing all the pain
By hand take me away
Save me from myself again

Burning my life again
Burning 'til there's nothing left
Breathing my life away, I'm dying (but it feels so great)
Burning my life again
Burning 'til there's nothing left
Breathing my life away, I'm dying (but it feels so great)

I wish I'll run away
Away from this fucking place
I'm lost inside my head
There is nothing left to say

Burning my life again
Burning 'til there's nothing left
Breathing my life away, I'm dying (but it feels so great)
Burning my life again
Burning 'til there's nothing left
Breathing my life away, I'm dying (but it feels so great)

I've made
(I've the same mistakes again)
I lay
(and now it's over)
I've made
(I've the same mistakes again)
Help me

Save me

Burning my life again
Burning 'til there's nothing left
Breathing my life away
I'm dying

Burning my life again
Burning 'til there's nothing left
Breathing my life away, I'm dying (but it feels so great)
