Sing me your lullaby
Maybe I'll sin tonight
Sometimes I remember all
Sometimes it's hard to try

You say there's nothing wrong
But something is going on
Tell me that you'll be gone
Before you lose it all

I will try
To make things right again tonight
I'll save your life
So you'll sing me your lullaby

Tell me will you breathe again
That you'll keep this 'til the end
Take the bullet from my hand
Pull the trigger once again

Sing me your lullaby
Maybe I'll sleep tonight
Maybe you can stay alive
To sing another night

I will try
To make things right again tonight
I'll save your life
So you'll sing me your lullaby

Tonight

I will try
To make things right again tonight
I'll save your life
So you'll sing me your lullaby

Tonight
