Circles Â– Dale Goodie

Don't go there, don't you make a sound,  
Don't touch that, don't you turn around,  
Come closer, don't I speak clear enough for you to  
hear me?

Don't watch that, look right over here,  
Don't do that, you look like a queer,  
Well I've been there, so listen to me,  
Cause you are going nowhere.

Runnin' around in Circles,  
Well I must be crazy, I must be crazy.  
Runnin' around in Circles,  
I don't let it phase me, so I must be crazy.

Don't try that, you're just bound to fail,  
Don't walk there, you'll wind up in jail  
So get lost now,  
Cause you are really getting on my last nerve.  
Don't talk back, you look like a fool,  
Start talkin', did I say we're through?  
You play stupid, it don't work though,  
Can't you get it through your thick skull?

Runnin' around in Circles,  
Well I must be crazy, I must be crazy.  
Runnin' around in Circles,  
I don't let it phase me, so I must be crazy.

I know I have my own bad choices to make,  
I'm sure to fail, I'm sure to make some mistakes.  
So listen to me cause I'm not listenin' anymore.  
Why can't you leave me and my choices alone?  
Why can't you leave me and mine?

Runnin' around in Circles,  
Well I must be crazy, I must be crazy.  
Runnin' around in Circles,  
I don't let it phase me, so I must be crazy.  
Well I must be crazy, I must be crazy.
