Livin' the Life – Dale Goodie

I work hard; I got a family man,
Sure don't mind putting long days in.
Check the watch it's only 3 o'clock,
You know that quittin' time; well it can't come quick
enough.

When I get home and see you standin' there,
I wanna hold you every second I can.

I'm Livin' the Life, I've always wanted,
Livin' the Life, I wouldn't want it any other way than
this,
I can't wait to taste your kiss,
And I'm livin' every birthday wish,
Livin' the life.

We don't seem to ever get us enough,
Bet everything in the bank on love.
Always lovin' just like teenagers,
You know the younger one's, ain't got nothing on us.

When I'm at home man I don't have a care,
I wanna hold you every second I can.

Livin' the Life, I've always wanted,
Livin' the Life, I wouldn't want it any other way than
this,
No I can't wait to taste your kiss,
And I'm livin' every birthday wish,
Livin' the life.

When I get home and see you standin' there,
I wanna hold you every second I can.

Livin' the Life, I've always wanted,
Livin' the Life, I wouldn't want it any other way than
this,
No I can't wait to taste your kiss,
And I'm livin' every birthday wish.
Livin' the Life, I've always wanted,

Livin' the Life, I wouldn't want it any other way than
this,
No I can't wait to taste your kiss,
And I'm livin' every birthday wish.
Livin' the Life.

Livin' the Life, livin' the Life, livin' the Life, livin'
the life.
