Cynical, affordable  
Lashed down like heaven sent intangible  
Lucrative, initiative  
Unbreathing forces stoked on sedatives

Fraternize, romanticize  
Bring what is spoken for familiarize  
Overkill, dependable  
More human contact will just make you ill  
Make you ill

That old disciples got a hold of me  
I'm sick of walking on the past you see  
Take your skeletons and run, bye, bye baby  
Purge your thoughts into the sun  
Goodbye baby, bye, bye, bye

Leave the ground before us  
See how they run  
(See how they run)  
Leave the ground before us  
See how they run  
(See how they run)

Leave the ground before us  
See how they run  
(See how they run)  
Leave the ground before us  
See how they run  
(See how they run)
