Crazy

I saw you yesterday
As walked down the street
You turned my way
But I hide from you
As you stopped at the corner of South Street
I began to wonder
Was it really over
Between you and me

Baby, will I ever know
Why you left me
Maybe, someday you will
Come back to me

Chorus:
What was I thinking?
When I said yes
Was I going crazy?
When you asked me out
Maybe I was just losing my mind
Maybe I was just so confused
I really dont know what to do
You left me here and youve got me
Going Crazy!

As you turned down the road
I hoped maybe you would see me
But then I saw you get in a car
A red mersadies
I followed you
Down the road a bit
Then the car pulled over
And then I saw you
Come Out with a brunette

Baby, will I ever know
Why you left me
Maybe, someday you will
Come back to me

Chorus:
What was I thinking?
When I said yes
Was I going crazy?
When you asked me out
Maybe I was just losing my mind
Maybe I was just so confused
I really dont know what to do
You left me here and youve got me
Going Crazy!

OoOoOo

Why did you do this?
Why did you leave?
I cant get you off my mind
You left here all alone
And im going CRAZY!!!

Baby, will I ever know
Why you left me
Maybe, someday you will
Come back to me

Chorus:
What was I thinking?
When I said yes
Was I going crazy?
When you asked me out
Maybe I was just losing my mind
Maybe I was just so confused
I really dont know what to do
You left me here and youve got me
Going Crazy!
Oooo Crazy oooo youve got me going CRAZY!
