I was okay 'til you came along  
I saw your face and I was gone  
The world stood still when you were near  
My heart yelled out did ya hear..

Under your spell  
Aw can't ya tell  
I was under your spell  
Oh under your spell  
Aw can't ya tell  
I was under your spell... yow

Ooh I could feel the fire in my eyes  
A mean desire that I could not disguise  
You were so close but so far away  
Action is better than words any day

I knew it was wrong but I felt the need  
To have your love seemed like my destiny  
Ya better look out 'cause I'm movin' in  
Oh, I wanna feel it, feel it again

Under your spell (under your spell.....)  
Aw can't ya tell  
I was under your spell  
Under your spell (under your spell.....)  
Aw can't ya tell  
I was under your spell

Under your spell (under your spell.....)  
Aw can't ya tell  
I was under your spell  
Oh under your spell (under your spell.....)  
Aw can't ya tell  
I was under your spell...

Ooh ooh.. ooh ooh.. ooh ooh..  
Whoo hoo oo oo oo  
WHISPER:  
Under your spell  
Under your spell

SING:

Oh, oh let me go

You know, I've gotta - gotta break away

Yeah yeah

Yeah yeah

Yeah yeah...

Yeah yeah

Yeah yeah

Yeah yeah...

Under your spell (under your spell.....)

Aw can't ya tell

I was under your spell

Under your spell (under your spell.....)

Aw can't ya tell

I was under your spell

My love ya got... (under your spell.....)

Ooh..., oh, oh oh oh oh

Oh baby baby baby please (under your spell.....)

Oh no no no no no no no no..
