You stagger home at 3 AM  
Yeah, you said you're out drinkin' with the girls again

What's up with that?  
Wooh  
What's up with that?

What's up with that?  
Wooh  
What's up with that?

You treat me like a worn out toy  
But when I get paid, I'm your lover boy

What's up with that?  
Wooh  
What's up with that?

What's up with that?  
Wooh  
What's up with that?

You're out of work again  
Like all your your loudmouth friends  
What can a poor boy do with you?

You're always yappin' on the telephone  
You're always honkin' on the saxophone

What's up with that?  
Wooh  
What's up with that?

What's up with that?  
Wooh  
What's up with that?

Wooh  
What's up with that?  
Wooh  
What's up with that?

Wooh  
What's up with that?  
Wooh  
What's up with that?

Wooh  
What's up with that?  
Wooh  
What's up with that?

Wooh  
What's up with that?  
Wooh  
What's up with that?
