Ice girl, she's waiting for me  
On the second moon  
If I can blast this crazy loop  
I'm gonna be there soon

Did you hear your mother  
Threw another sucker to the sun?  
He looks a lot like the  
Good old boys of Apollo One

Mama, Mama, tell me  
I ain't gonna die  
Well, maybe baby  
Say you found the astro glide

Hey, there ain't no pay, yeah  
100 million miles away  
Hey, there ain't no pay, yeah, yeah  
100 million miles away

Mad God took my girl  
And made time stand still  
I used to hate that stony freak  
And now I always will

But dead planets ain't no fun  
I'm coming in way off time  
That constellation looks  
Just like my baby's sweet behind

Mama, Mama, tell me  
I ain't gonna die  
Well, maybe, baby  
Say you found the astro glide

Hey, there ain't no pay, yeah  
100 million miles away  
Hey, there ain't no pay, oh no  
100 million miles away  
Hey, there ain't no pay, oh no  
100 million miles away

Hey, there ain't no pay, no  
100 million miles away  
Hey, there ain't no pay, no, no  
100 million miles away
