You're floating there
Your handin' me a snake inside a jar
It's just too cool, I do believe
You're what you say you are

How many days was I in that
Psychotic submarine?
I stumbled out, I took my turn
And now I've made y'all see

An iron cross, a sacrifice
And born in Vietnam
You take me home in your machine
And tell me about your plan

Come on in, come on in
And put your hands on me
Come on in, come on in
Our love will set you free

I said, "Whoa, I'm in love again
Whoa, you're so strange"
Whoa, I'm in love again
Whoa, you're so strange
You're so very strange

They'll hang me here, they'll make me pay
If I do what they don't like
So cast your cent quick and bite my lip
And screw my brain up tight

Come on in, come on in
And put your claws in me
Come on in, come on in
And tune up my machine

I said, "Whoa, I'm in love again
Whoa, you're so strange"
Whoa, I'm in love again
Whoa, you're so strange

I said, "Whoa, strange little baby"

Whoa, strange little baby

Whoa, strange little baby
