Sun turning 'round with graceful motion
We're setting off with soft explosion
Bound for a star with fiery oceans
It's so very lonely, you're a 100 light years from home

Freezing red deserts turn to dark
Energy here in every part
It's so very lonely, you're 600 light years from home

It's so very lonely, you're a 1000 light years from home
It's so very lonely, you're a 1000 light years from home

Bell flight 14, now you can land
See you on Aldebaran
Safe on the green desert sand
It's so very lonely, you're 2000 light years from home
It's so very lonely, you're 2000 light years from home
