Oil of love, swimming in a zodiac  
Lion's den, pig juice, crown on the dingo king  
I got a line to the stars, I got wire to myself  
I'm gonna use all you pigs for something else, yeah  
yeah

Sufi's in the penthouse nailed to a wall of flesh  
Yeah, super judge rolls up on every pussy-fool in town  
I got meat in my hands, I got an eight in my head  
I'm gonna bleed on this town until it's red

Oil of love, swimming in a zodiac  
Yeah, lion's den, pig juice, crown on a dingo king  
I got a line to the stars, I got a wire to myself  
I'm gonna use all you pigs for something else

Yo man, what you need ?  
Nickle bag  
Fuck that I don't work that small  
Yo how about an eight ?
