Going down now

The mountain screamed three times today
I guess it thought it'd like to play
How much does one have to pay
To fry a peak and melt away
Launching titan's breath on mine
The sweating measure lands on time

And the old man is down by the river
Well he gets up and he walks on down
To the spaceship that's parked at your doorstep
And it's waiting to take you away now

Goin' down now
Goin' down now

Looking for the rate that crowed
He's hooked up down in Mexico
Slap my nerve now give me more
It's my disaster friend, not yours

And the old man is down by the river
Well he gets up and he walks on down
Ah, to the spaceship that's parked at your doorstep
And it's waiting to take you away now

And the last one, it's down by the river
Where he gets up and he walks on down
Ah, to the spaceship that's parked at your doorstep
And it's waiting to take you away now

It's down by the river
It's always this way now
It's down by the river
It's always this way now

Goin' down now
Goin' down now

Now
Now

Now
