Place the stones in a circle of twelve
Give my night to brother of the bell
Rise from the light
That swallows me whole
Dig yourself
Dig yourself
Sun comes up
One great day
Foil of the cobra
Dries the sweat off my face
Righteous meek
Righteous brown
Yeah
Dig yourself, baby
Dig yourself, baby
Down that medicine now
Yeah baby
Down that medicine now
My my my baby
Down that medicine now
Yeah baby
Down that medicine now
Yeah baby
Bloods' got soul
Invade the town
Your loves got lazy
Took the world from behind
Life is sweet
As sweet as hell
Dig yourself, baby
Dig yourself, baby
Alright
Down that medicine now
Yeah baby
Down that medicine now
My my my baby
Down that medicine now
Yeah baby
Down that medicine now
Oh, baby
Make no mistake
Your violation will be televised

Muds got soul
Muds got soul
Muds got soul
