I never heard a sound
They leave without a word
I got a message from the underground
They tell me they never got your call

(Chrous)
Did your soul not shine?
Did your daytime turn into night?
Do you feel like your days are behind you?
Did your soul not fly?
Did your letter never arrive?
Do you feel like your days are behind you? [2x]

Sometimes you tried to call
You stall on every word
I got a message from the underground
They tell me they never got your call

(Chrous)
Did your soul not shine?
Did your daytime turn into night?
Do you feel like your days are behind you?
Did your soul not fly?
Did your letter never arrive?
Do you feel like your days are behind you? [2x]

How do you feel? [4x]
