Ain't seen a night
Things work out right go by
Things on my mind and I just don't have the time
But it don't seem right

Ain't seen a day
That I don't hear people say
They know, they're gonna' die

This may seem a little bit crazy
I don't think we should be so lazy
You think you've heard this before
Well, stick around, I'm gonna' tell you more

One just like the other
Sin's a good man's brother but is that right?
You tell me that I don't
Then I say, I won't but then I might, yeah

You said, this is the way it's supposed to be
But it just don't seem right to me and that's outta' sight
Some folks need an education
Don't give up or we'll loose the nation

You say we need a revolution?
It seems to be the only solution, yeah
Oh yeah
