Ear spot in a cornfield
We got a girl in an army coat
I pull up the Gran Torino
And play some music for the holy ghost

Go, go, go
Yeah baby, smoke them bones

Praise me the Bullgod
She got fleas stuck all over her skin
Take a dive in the nose bleed
And let the snake dance begin

She licked a sheet of water
Now she's breathing through her teeth
Hissing like a snake with tits
And squirming up to me

Go, go, go
Yeah baby, smoke them bones
Go, go, go
I'm so fucking stoned

If Satan lived in Heaven, he'd be me
And acid dirty doves and stupid sheep
That bone did triple, I can make you see
Rub that naked belly up to me, yeah yeah, oh yeah

Go, go, go
Yeah baby, smoke them bones, yeah
Go, go, go
I'm so fucking stoned

If Satan lived in Heaven, he'd be me
And acid dirty doves and stupid sheep
That bone did triple, I can make you see
Rub that naked belly up to me, yeah yeah

Up to me, yeah
Up to me
Up to me, yeah
Up to me
