

Monster Magnet "Super Cruel"

Breathin' hard when you swim in the mirror
Breathin' fire like a rich girl should
Come alive in the back of my trailer
Come alive when your carvin' my wood
Super cruel hot shit baby

You've never been treated right

Super cruel, TV's garbage
Shut your eyes real tight
Cry for your mother, sing for your brothers in hell
Drink from the specimen in my cup
Pray for the daddy who smacks you up
Such a strain when you live on a dead star

Such a bummer when your money is dry

Plug yourself on the hammer of God now
We all love it when you shiver and die
How were you to know
That the reds would turn out to be speed
That the sun would come out at midnight baby

How were you to know that I'd be super cruel
