Darling, let me dry up all your tears
How about Luna Park tonight and then Algiers?
Remember how we stole the pharaoh's gold?
We laughed at all the rubes as they got old

That's all fine if you have a time machine
I broke mine, can't you see?
Now I'm here on the edge of the world
Missing you, it's true, I'm missing you

I think I'll go to 1969
I'll buy some comic books and replay my whole life
Bills come in but we don't have to pay
I can mend your heart when I change yesterday, yeah

That's all fine if you have a time machine
I broke mine, can't you see?
Now I'm here on the edge of the world
Missing you, it's true, I'm missing you

That's all fine if you have a time machine
I broke mine, can't you see?
Now I'm here on the edge of the world
Missing you, it's true, I'm missing you
