Violent nightmares  
Manipulated by a razorlike claw  
Bursts of anger  
Chaos of this universe  
Surrounding spirit and flesh  
I am hanging on this cross of life  
Like the great Mediterranean Liar did  
On his own wooden symbol of charity

On this raging planet  
I am indeed a picture  
Of the god which has created me

I hope you see  
Your loved ones suffer and die  
For we are here in this agony  
Only to be objects of misery  
And when there is nothing else left  
We can only hate each other

On this raging planet  
I am indeed a picture  
Of the god which has created me

From the seed of my father  
I was ment to grow  
In anger and despair  
To celebrate our creator  
On the painful altar of flesh

So lift up your eyes on high  
And see who hath created thee
