O, Papa sit down, and hear my song.
O, and if you feel like it then please sing along
No nothing that I wanna say, I haven't said before
But to use your words, you can never be to sure

See, even though. I don't always show.. I'm glad that
you're along.
Said I'm glad that your're around

O sonny, so strange, to hear and see
That someone so different is, a soul like me.
You may have gone right, where I would have gone left.
But son, that's alright. I will always have your back
See even though. I don't always show.
I'm proud of you, my son.

Old days, and all of the new wanting to be like you.

[Chorus]

Every time I look at you. I see myself. I'm so proud of
you.
For you help make me what I am.
A better man.
I'm just so proud of you.

Alain: O dad, your views in life. Tell me how they came
to be.

Well see, I didn't know my father like the way that you
know me.

Dane: Son, life is just too short. For us to never be in
touch.

That's why I want to tell you that I love you very much.
Oh even though, I don't always show. You know
And I want you to know that.

[Chorus]

Every time I look at you. I see myself. I'm so proud of
you.
For you help make me what I am.
A better man.
I'm just so proud of you.

Iâ€™m here and Iâ€™ll be if I can A father and a friend.

Every time I look at you.

[Chorus]

Every time I look at you. I see myself. Iâ€™m so proud of you.

For you help make me what I am.

A better man.

Iâ€™m just so proud of you.

You know that one day too I ll be walking in your shoes

Yeah and I know that you'll do fine cause you're a son of mine

Oh Hey papa tell me what you've learned so that I don't get my fingers burned

Son you'll see that as you go you'll make mistakes of your own

But that's oke man see you live and you learn

You live and you learn
