Said we're gonna call your boss up  
tell him you don't work for him today  
Not today baby  
We're gonna do some shopping  
Set you up so you can celebrate, celebration

I turn off my cellphone  
spending all my minutes on you, on you  
I'm rolling out the carpet  
walk it with your high heeled shoes

You look so fine baby

Oh happy birthday baby  
happy birthday  
happy birthday  
happy birthday  
It's your birthday  
and we party like we own the place

I said they're gonna have to buy some extra bottles  
baby  
'Cause we'll be drinking champagne all night  
And money ain't a thing cause  
we gotta let them know we do it right

Oh and that's all night

Oh happy birthday baby  
happy birthday  
happy birthday  
happy birthday  
It's your birthday  
and we party like we own the place

Oh electric, fantastic  
your legs wrapped up in plastic  
And when you shake that body girl everybody gets  
enthusiastic  
So move it around, like you don't even care what you're  
gonna feel like tomorrow  
Baby it's your birthday, we're just gonna party

Oh happy birthday baby  
happy birthday  
happy birthday  
happy birthday  
It's your birthday  
and we party like we own the place

Oh sing it again now

Oh happy birthday baby  
happy birthday  
happy birthday  
happy birthday  
Happy birthday

Oh happy birthday baby  
happy birthday  
happy birthday  
happy birthday

Oh happy birthday baby  
happy birthday  
happy birthday  
happy birthday  
It's your birthday  
and we party like we own the place
