How can I sleep when I'm being troubled by butterflies  
Every night they're here to remind me of your sweet  
eyes

All of my dreams and all of my wishes are about to  
come true  
Life is too good and you are the reason  
I'm so in love with you

Head over heels  
Yeah you make me feel so high tonight  
Head over heels  
Baby your love makes me feel alive

How can I sleep when I'm going crazy  
And I can't unwind  
And how can I think when I am about to lose my mind

All of my dreams all of my wishes are about to come  
true  
Life is too good and you are the reason  
I'm so in love with you

Head over heels  
Yeah you make me feel so high tonight  
Head over heels  
Baby your love makes me feel so right

Head over heels

No I never felt so light and free  
You know how it feels  
Cause you told me you're in love with me

Every minute (every minute) and every second of the  
day  
I'm thinking about you (thinking about you)  
Please make it never go away  
I'm thinking about you baby  
Please make it never go away (away, away, away,  
away)

Head over heels

Head over heels

Yeah you make me feel so high tonight

Head over heels

Baby your love makes me feel so right

Head over heels

No I've never felt so light and free

You know how it feels

Because you told me you're in love with me
