Wouldn't even know what to say, girl, I am just
awestruck
Then again I'm trying to pretend that I don't really give
a f*, yeah
Gotta keep my cool, you know I'm cool like that, cause I
seen it all girl
But you broke that rule, now I'm a fool with my back
against the wall girl

Hey you got that smooth, groove messing around my
beat
I got that quick rhythm, but you're slowing me down
My count is 1, 2, 3, 4, 1, 2, 3
You're like 1...2...3...4

Gotta get it down because it's all about that pocket
Oh I gotta turn that rhythm around before you think I
don't know how to lock it, babygirl
But it's cool with me, I know the hand you're playing,
yeah
Said it's cool with me, I know what you ain't saying,
yeah

You got that smooth, groove messing around my beat
I got that quick rhythm, but you're slowing me down
My count is 1, 2, 3, 4, 1, 2, 3
You're like 1...2...3...4

Oh it's so amazing, you manipulate that rhythm like it's
a part of you
And if I didn't know better I'd think you were a, nympho
You always know just what I'm in for, yeah, just a little
groovin' now
Yeah a little groovin', girl you put that smooth movin' in
Yeah my count is lost
I'm like 1...2...3

You got that smooth, groove messing around my beat
I got that quick rhythm, but you're slowing me down
My count is 1, 2, 3, 4, 1, 2, 3
And you're like 1...2...1...2...3

This time I got it, hey, not gonna let it go
I decide the rhythm baby, that's all you need to know
it goes 1,2,3,4, 1,2,3
we're like
1...2...3...4
Now move to this
Come on girl, 1...2...3
Now move to this, yeah
Said move to this, yeah
1...2...3...4
