No sight of improving  
Were like a song that just ain't groovin'  
Ow the harder we try  
The more it seems that it's just not right

Ow baby, this ain't gonna work  
(Baby baby, this ain't gonna work)  
Ow baby, this ain't gonna work  
(Baby baby, this ain't gonna work)

Girl we got to make some changes  
We share the same bed but we're living like strangers  
Ow and sure we get by  
But if it ain't true  
Then were livin'  
Were livin' a lie, girl

Ow baby, this ain't gonna work  
(Baby baby, this ain't gonna work)  
Ow baby, this ain't gonna work  
(Baby baby, this ain't gonna work)

Ow if it's up to you and me  
Then why aren't we dancing, yeah, yeah  
Ow I wish the powers that we  
We work in our way  
But that ain't like it is today

Ow and I really tryin' to feel you, girl  
Yeah, I really, wanna want you babe  
I'm not trying to leave you girl  
But how am I gonna stay, when...

Ow baby, this ain't gonna work, no it ain't, you know,  
come on  
(Baby baby, this ain't gonna work)  
Ow baby, this ain't gonna work, yeah baby this ain't  
gonna work  
(Baby baby, this ain't gonna work)

Ow baby, this ain't gonna work ow no no  
Ow baby, I don't wanna make you feel bad, but this

ain't gonna work
