

## Alain Clark "Two Hands"

Visit "[Two Hands](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Who am I, but just one man  
with a chain around his heart and cuffs on his hands  
who am I, but another one of you  
With a blind before my eyes and an appetite for two

who am I (who am I, who am I), but a soul inside a skin  
on the verge of breaking out, but still locked deep  
within

Who am I, but a thought behind a plan  
That even if I tried, I will never understand

Ain't I just a man in this world, ain't I just a man  
What can I do to make it better, just with these two  
hands?

I got two, two, hands  
What am I gonna do with two hands?  
I got two strong hands  
What am I gonna do with two hands?

Who am I, but an anonymous face  
with a number and a mark to connect me to my place  
who am I (who am I, who am I)  
but a voice in the crowd, that whispers all the time  
'cause it's too afraid to shout

Ain't I just a man in this world, ain't I just a man  
What can I do to make it better, just with these two  
hands?

I got two, two, hands  
What am I gonna do with two hands? (tell 'em what am I  
gonna do)  
I got two strong hands  
What am I gonna do with these hands?

That's how I see it (put 'em to work) (8x)  
Gotta get them out of my pocket (put 'em to work)  
Get your hands dirty (put 'em to work)  
take off the jewelry (put 'em to work)  
put on your gloves (put 'em to work)  
That's how I see it (put 'em to work)

Gotta stretch a little better now (put 'em to work)  
Take off the jewelry (put 'em to work)  
Put 'em to work (put 'em to work) (6x)  
Take off the jewelry (put 'em to work)  
Put 'em to work (put 'em to work)  
get your hands dirty (put 'em to work)  
Put 'em to work (8x)

I got two, two, hands  
What am I gonna do with two hands?  
Put 'em to work  
Put 'em to work  
I got two strong hands  
What am I gonna do with these hands?  
Put 'em to work  
I got two, two, hands  
What am I gonna do with these hands?  
Said I got two strong hands  
What am I gonna do with these hands?

That's how I see it (put 'em to work) (8x)
