Part of Me

Don't know why
Tired of the process
Don't ask when
Part of me is empty

Counting the stars it's getting confusing
Trying to find my paradise
Every emotion every second
That I spend I lost my faith

What is next?

Don't know why
Im Tired of the process
Don't ask when &
Part of me is empty
I'm just tired
Repeating the circle
Im Spinning around
Again and again

All the steps I've been taken
Only takes me to the same place
There's no color and there's no feeling
Only Walls without doors

Cause I always
Wanted to share
These moments
With you tonight
Part of me
